

HEN Membership Information and Application 2016 - 2017

Become a HEN member. It is FREE, because HEN is all about building a strong network that can share valuable environmental information and skills.

Members receive :

- 4 e-newsletters a year
- e-bulletins containing environmental news and handy tips
- a vote at the HEN AGM

The aims of HEN are:

- To promote environmental education, in its widest sense, in all sectors of the community within the Highlands
- To facilitate sharing and dissemination of environmental information and expertise
- To encourage the involvement of individuals and community groups in environmental debate and action

HEN Membership will run annually from 1 April to 31 March.

For further information email: hen@highlandenvironment.org.uk

Data Protection: The information supplied by you will only be used for the purposes of the Highland Environmental Network. We will not supply your details to any third party without explicitly asking for your permission to do so.
